INGREDIENTS

Monocalcium phosphate, dicalcium phosphate, calcium carbonate, certified organic dried kelp, magnesium oxide, magnesium sulfate, potassium sulfate, montmorillonite clay, zinc sulfate, manganese sulfate, copper sulfate, potassium iodide, cobalt sulfate, sodium selenite.

FEEDING INSTRUCTIONS:

Feed free choice (1 to 6 ounces) to all ages of beef cattle. Also feed salt free choice.

"O" FREE CHOICE

Description: A mineral package designed to meet organic production standards and supplement the nutritional needs of livestock on a free choice basis.

Features:

Provides supplemental Calcium and Phosphorus in a 1.5:1 ratio.

Provides high levels of supplemental Magnesium to aid in prevention of grass tetany (Hypomagnesemia) in livestock pastured on lush grass.

Contains sulfate forms of trace minerals.

Provides supplemental selenium.

Certified organic Thorvin kelp as a source of over 60 trace minerals and vitamins. Excellent for reproduction, immune system function and hoof health.

Feeding rate: 1 to 6 ounces per animal per day.

Recommended uses: As a basic free choice mineral in conjunction with BioAg's free choice supplement system. Also use to complete the free choice program in conjunction with BioAg's "O" SK Blend and "O" Free Choice Mineral.

Precautions: Intended as a nutritional supplement source over and above base mineral nutrition source. Not recommended for sheep due to copper content. Check with your local organic certifying agency for acceptance before using this or any feed supplement.
