### MANUFACTURED BY:

Midwestern BioAg, Inc. | 10955 Blackhawk Drive  
 Blue Mounds, WI 53517 | 800.327.6012  
 NET WEIGHT: 50 Lbs. (22.67 Kg)

## “O” POULTRY PREMIX

**Description:** A complete mineral and vitamin package designed to meet the specific nutritional needs of poultry.

**Features:**  
 Contains sulfate forms of trace minerals.

Provides daily vitamin needs including vitamins A, D3, E and B complex.

Supplies most or all of the major mineral nutrients — calcium, phosphorus, sodium and chloride.

**Feeding rate:** 100 pounds per ton of complete feed mixed according to formula designed by nutritionist. Additional calcium may be required depending upon the specific requirements of the flock.

**Recommended uses:** All poultry rations.

**Precautions:** Check with your local organic certifying agency for acceptance before using this or any feed supplement.
