INGREDIENTS

Salt, certified organic dried kelp, monosodium phosphate, calcium sulfate, magnesium sulfate, calcium carbonate, magnesium oxide, sodium selenite.

FEEDING INSTRUCTIONS:

Feed free choice at the rate of 1 to 6 ounces per head per day to cattle on pasture.

"O" SK BLEND

Description: A free choice package designed to provide supplemental salt and kelp to livestock which also meets organic production standards.

Features:

Contains Redmond Natural Trace Mineral Salt which is highly palatable and contains numerous trace minerals found in ancient salt deposits.

Certified organic Thorvin kelp as a source of over 60 trace minerals and vitamins. Excellent for reproduction, immune system function and hoof health.

Feeding rate: 1 to 6 ounces per animal per day.

Recommended uses: As high quality supplemental salt source. Also in conjunction with BioAg's free choice pasture feeding systems.

Also use to complete the free choice program in conjunction with BioAg's "O" SK Blend and "O" Free Choice Mineral.

Precautions: Check with your local organic certifying agency for acceptance before using this or any feed supplement.
