

"O" D-R-R-R-Y COW

Description: A mineral and vitamin package for all dry cows. Fortified to meet the demands of highly stressed animals.

Features:
Contains sulfate forms of trace minerals.

Provides daily vitamin needs including vitamins A, D3, E and B complex.

Contains KuroCal™ GH.

Contains selenium yeast.

Contains OMRI listed yeast culture.

Feeding rate: Dry cows = 7 ounces per head per day.

Recommended uses: Dry cow rations for stressed dairy cows. Especially useful in rations where feeds are suspected to be contaminated with mold, yeast or mycotoxins.

Precautions: Salt must be added to ration separately. Check with your local organic certifying agency for acceptance before using this or any feed supplement.

"O" D-R-R-R-Y COW

Mineral Supplement for Non-Lactating Dairy Cattle

Designed to meet organic standards. Check with your certifier before using this product.
